

4th IEEE INTERNATIONAL CONFERENCE ON COMPUTER VISION SYSTEMS

January 5-7, 2006
St. Johns University
New York City, New York, USA

Wednesday 1/4/2005

7:00 pm Early Registration Embassy Suites Hotel atrium

Thursday 1/5/2005

8:00 am Registration Open St. Johns University atrium
9:00 Welcome
9:10 Keynote Speaker Myron Krueger: *Seeing the Human as Interface*
10:20 Coffee Break
10:50 Session 1 *System Architectures*
12:30 pm Lunch
2:00 Session 2 *Vision-based User Interfaces*
3:20 Coffee Break Poster Session A
4:30 Session 3 *Calibration & Registration*
5:30 End

Friday 1/6/2005

8:00 am Registration Open St. Johns University atrium
9:00 Session 4 *Grab Bag*
10:20 Coffee Break
10:50 Session 5 *Faces*
11:30 Invited Speaker Terry Boulton: *Into the world: Converting vision-based surveillance systems into security solutions*
12:30 pm Lunch
2:00 Session 6 *Robotics*
3:20 Coffee Break Poster Session B
4:30 Session 7 *Activity Detection & Interpretation*
5:30 End

7:00-9:00 pm Banquet SouthWest NY restaurant

Saturday, 1/7/2005

8:30 am Registration Open St. Johns University atrium
9:00 Session 8 *Monitoring & Surveillance*
10:20 Coffee Break
10:50 Session 9 *Object Recognition & Tracking*
12:30 End
