## Call for Panel Proposals

ACM / IEEE 8<sup>th</sup> International Conference on Model Driven Engineering Languages and  
Systems  
(formerly the UML Series of Conferences)

October 2 - 7, 2005  
Montego Bay, Jamaica

<http://www.modelsconference.org/>

MoDELS panels present an opportunity to discuss and debate a current topic with informed and experienced modelers. We invite you to organize and submit a proposal for a panel that is informative and thought provoking - indeed, even controversial! The best participants include people with a variety of backgrounds and viewpoints.

Panel submissions should include statements on the relevance and timeliness of the topic, and should identify the panelists, indicating at least an initial commitment from them.

### WORKSHOP COMMITTEE

Chair: Siobhán Clarke, Trinity College  
(Ireland)  
Selection Committee: (To be announced)

### IMPORTANT DATES

Deadline for submission: **May 6, 2005**  
Notification of acceptance: **June 24, 2005**

### SUBMISSIONS

Proposals should be prepared in PDF format and emailed to [Siobhán Clarke](mailto:Siobhan.Clarke@trinitycollege.ie) no later than May 6, 2005.
